PREMIUM BENEFIT PLANNING

Health Insurance Options

When it comes to insurance for your business, most of the time you just don't know where to turn. The New Rochelle Chamber of Commerce has solved that problem for you by partnering with Premium Benefit Planning. They are a boutique Employee Benefits Brokerage Firm founded in 2003 that specializes in working with companies that have between 2-250 employees.

Premium Benefit Planning differentiates themselves by focusing solely on the Group Medical Benefits Business. They pride themselves on being creative, out of the box thinkers who provide individualized solutions that most other brokers do not offer. Following, understanding and analyzing the current trends and changes within the group benefits market enables them to be ahead of the curve and always giving you the best available options.

Premium Benefit Planning has aligned themselves with all of the top health insurance carriers, with a variety of networks and levels of coverage.

This includes HMO, EPO, PPO and HSA Plans:
